ISSUE NUMBER 8

## Hello Fellow Titans,

A quick update on all that is happening at your Soccer Club.

There are some important details in the upcoming events so be sure to read this section carefully.

The season is due to finish at the end of this month but we are trying to arrange games up to the Grand finals playing against teams who have not made it to the finals but are still looking for a game so that our kids can play right up until the grand final.

We intend to hold our own presentation day shortly after the finals are played, probably a lunch on a Sunday at the Kirrawee grounds at Bates Drive with all the players to get a trophy. If you have any suggestions about this please let someone on the committee know.

It has been a great season so far and it is wonderful to see the kids enjoying their sport so much.

## Bob Cats Vs Menai 01/7/06

Joshua played his usual strong game and managed to score a goal or two. Ross had a great game and scored the first goal and Max played well with some long kicks down field before saving a number of shots as goal keeper.

Harrison had another fine game always getting involved, whilst Jake and Samir also had some fine touches on the ball. Keinwyn played well and scored her first goal for the Bob Cats.

Looking forward to next weeks game.

Brendan

## Koala Bears v Gwawley Bay 1/7/06

The rain had cleared and it was a clear but crisp afternoon as the Koala Bears took the field and they were off and running from the first whistle. Carl lead the way and never stopped running all day up and down the field ably supported by Alex who was always there to receive the important pass. Michael and Adam where always backing up ready to pass the ball back should Gwawley Bay make a break. Connor started in goal but soon proved his worth running in the backs. Ben played mid field supporting his forwards while Tim started in the forwards and was unlucky not to score with his first run putting the ball wide of the goal. He then changed with Connor and played goalie for the rest of the match stopping the few runs that Gwawley Bay managed to make through the tough Koala's defence.

Thank you to all our supporters who are there cheering us on every week and thank you to the referee and to Gwawley Bay for such spirited opposition.

## Polar Bears vs George's River 11B's

### Date: 1 July 2006

This week the Polar Bears played the Georges River 11B's in a match that was hectic from the starting whistle. Georges River was a team of skilled players and really gave the Polar Bears a great work-out. The Polar Bears started the match a few players short but were able to call on a couple of players from Georges River to get things going until our full team arrived. Arielle had another good game keeping up with the pace and made a number of good kicks and blocks. Ryan scored a great goal in the 1<sup>st</sup> half and produced one of his characteristic hand stands in celebration. Josh E came into the game full of running scoring an exciting goal and then playing a solid defensive role in the goals in the 2<sup>nd</sup> half. Keegan was again all over the park providing a solid defensive wall and was also able to capitalise on a break in Georges River's defence to score a goal. Brandon had a very active game providing some great charging runs into the goal area and then also had a stint in goals making some courageous saves. Peter again played with great enthusiasm and seemed to always be in the thick of the action and made some great throw-in's from the sidelines. Emma had a blinder with frequent charges into the oppositions half, scoring a couple of fantastic goals. The Polar Bears continue to build on their soccer skills and are starting to combine well as a team, even the Ref commented how good a team they were becoming! We would like to sincerely thank the Coach and players of Georges River 11B's for the spirit in which they played the game. See you all next week!!
